*Please note all of the following items will be discussed at the upcoming committee meeting held on 30<sup>th</sup> May.*

- 1) David Chapman raised the point of the new data protection law changes. Jorj saying that NEMPF and LPA are sending out a disclaimer on their membership forms. We've been advised to do the same. NEMPF passing us a form to give to members. Jorj to get clarification on this. Jorj advising members on what information the club holds for each member and who has access to this. Only Jorj, Dave Tabberner and Karen Bassett have email addresses for club members. Jorj keeps the contact list updated, deleting old members when necessary.
- 2) Jorj asking members if they are happy with the speakers this year – general agreement that yes they were very good this year. Jorj asking for recommendations for the future.
- 3) Trips – would members approve if we joined up with other clubs for trips out to fill a coach, eg Dunholme, Newark, etc. Could we share speakers on club nights? Options to think about.
